

Portfolio Orientation

Portfolio Generation

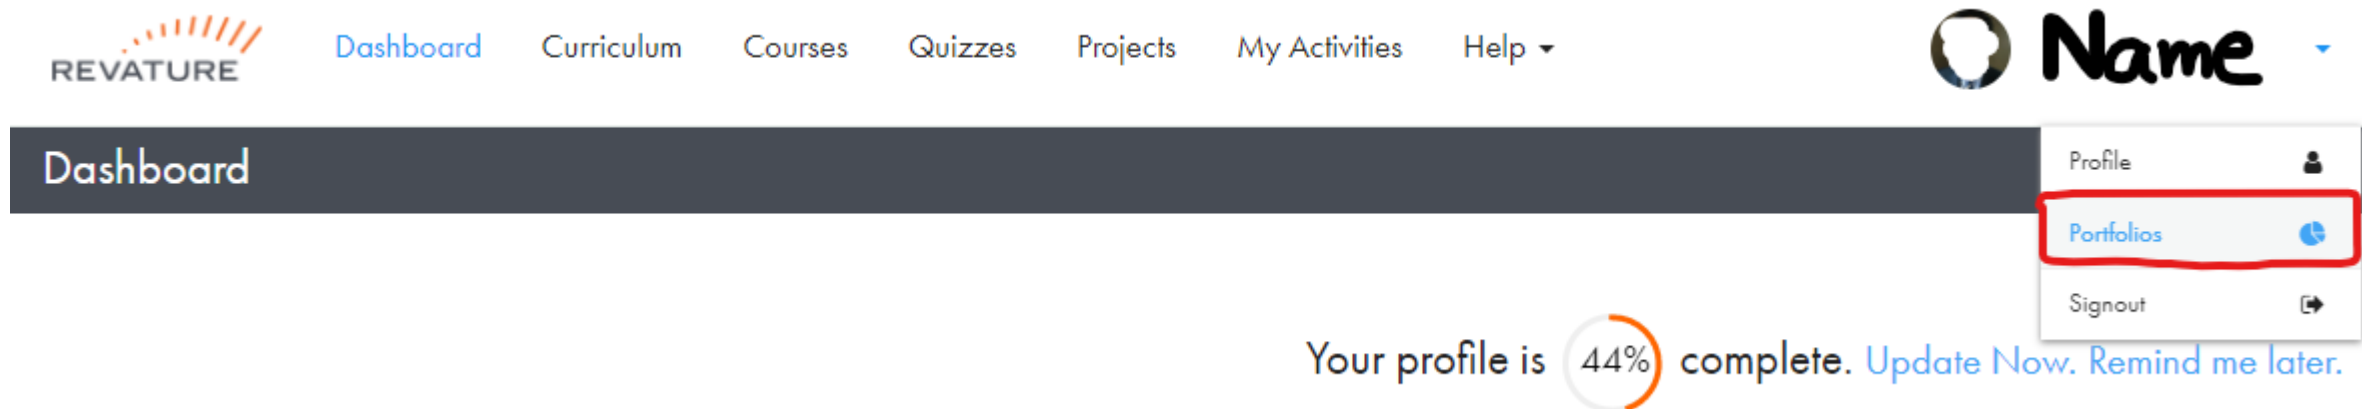

- You will create your own portfolio through RevaturePro
- Includes information about yourself, your background, your skills, and your project experience
- Helps to market yourself to potential clients
- Important: make a good first impression
- Use [the guidelines](#) to help you write and complete the portfolio

Setup Your Portfolio

1. Login to RevaturePro
2. Go to "Portfolios"

3. Click on "Create Portfolios"
 - Note: you may need to update your "Profile Name" before you can create your portfolio

Setup Your Portfolio

4. Enter a name for your portfolio
 - This does NOT appear on the published version of the portfolio
 - Use the convention {{First Name-Last Name-version}}
 - E.g. "Andrew-Crenwelge-1"
5. Fill out the portfolio according to the guidelines

Best Employee Award
Lorem Ipsum is simply dummy text of the printing and typesetting industry.
Received From : Revature
Received On : May-2015

Project Bullet Points

 **Projects**  (Note: To update the displaying order kindly use the drag and drop) 

 **Employee Reimbursement System - (ERS)**

The Employee Reimbursement System (ERS) manages the process of reimbursing employees for expenses related to professional development, such as University Courses, Certifications, and Technical Trainings. All employees in the company can login and submit requests for reimbursement, as well as view their past tickets, and pending requests. Finance managers can log in and view all reimbursement requests for all employees in the company. Finance managers are authorized to approve and deny requests for expense reimbursement.

Review Process

Remember...

- Dharshanaa from our team in India does the initial Phase 1 review
- Your QC auditor does final Phase 2 reviews
- **Before** you submit your portfolio, proofread it for formatting, grammar, and spelling mistakes
- You cannot edit your portfolio after you submit it; you must wait for feedback
- Check your **revature.net** email for updates, reminders, and feedback
- Do NOT clone your portfolio unless asked to do so
- Do NOT mark your portfolio as “inactive” after it has been published
- If you have questions, ask your QC auditor before or after the QC session

- Let's review this example of a good portfolio

Deadlines (all are COB)

- **Phase 1 submission: 8/3**
 - Phase 1 review: 8/5
- **Phase 2 submission: 8/15**
 - Phase 2 review: 8/17
- **Final due date for publication: 8/19**
- Training end date: 9/2
